Powerbank LIFELONG ChargeMate - 10000 mAh

- Power-packed 10000mAh - Lithium Polymer 10000mAh capacity allows you to efficiently charge your devices multiple times. Suitable for Smartphones, tablets, Earbuds, and other electronic devices. The charger wirelessly charges your phone while the practical foldable stand props up your phone for easy viewing.
- Quick Charge 3.0 & Power Delivery Technology – 22.5W Fast Charging Input – The powerbank itself can get charged in under 1 hour as it has Power Delivery Technology which supports 22.5W fast charging input via Type C port. The 10,000mAh small-sized battery contains enough power to charge an iPhone 13 Pro 1.8 times.
- Sleek, Stylish & Compact - Supremely modish and handy design. Digital Reading for remaining battery capacity makes it a style statement while its compact body makes it extremely travel-friendly at the same time.
- Safe and Secure – The resilient outer body and 12 layers of advanced chipset protection offer a reliable charging experience. Certified by the Bureau of Indian Standards on safety parameters.
- High-Speed Charging - Advanced technology delivers fast and efficient charging for your devices. The power bank supports quick charge PD 3.0 technology to ensure your devices power up rapidly.
- Multiple Device Compatibility - Compatible with a wide range of devices including iPhones, Android smartphones, tablets, cameras, and other USB-powered gadgets.
