### **Steam Iron LIFELONG - 1250 W**

- User-Friendly Product:** The ergonomic design and lightweight construction of the Lifelong 1250 Watt Steam for clothes make it comfortable to use with the easy-to-fill water tank and automatic dry ironing temperature settings.
- Effortless Ironing:** You can seamlessly iron narrow areas of clothes such as buttons, jackets, and collars thanks to the 180 degree rotatable ironing feature.
- Travel-Friendly Machine:** The mini steam iron is compact, small, and lightweight making it ideal to be carried anywhere.
- 90 ml Water Tank:** The portable iron has a water tank of 90 ml, and takes 30 seconds to heat up, making ironing quick and steam last longer.
- Steam & Dry Ironing:** Plug in the power plug and wait for the indicator light to turn on to start ironing. Click the button to turn off or on the steam, and switch between steam and dry iron.
