Glass Kitchen Storage GLASAFE 250 ml - Combo - Set of 4

Product Highlights:

* **Safe and Healthy Preservation:** Ensure peace of mind with the use of BPA-free and food-grade materials, prioritizing both safety and health in food preservation. By choosing materials that are free from harmful chemicals like BPA, this storage solution guarantees that your food remains untainted and safe for consumption.

* **Eco-Friendly Design:** Embrace sustainability with the use of borosilicate glass, known for its durability and environmentally friendly properties. Coupled with a silicone sleeve for added protection and grip, this design not only reduces your carbon footprint but also adds an elegant touch to your kitchen decor..
