BIZIP BACKPACK

This versatile and sustainable backpack is designed to accommodate laptops up to 17" and MacBook Pro 16", made entirely from recycled PET bottles, making it an eco-conscious choice for professionals and students alike.

The padded and fully lined interior provides superior protection for your laptop or tablet, featuring a dedicated compartment to keep your device secure during travel or daily commutes. For added functionality, the front of the backpack includes a well-organized, accessorized pocket, perfect for storing smaller essentials such as chargers, notebooks, or pens.

On the back, you'll find adjustable shoulder straps that ensure a comfortable fit for all-day use, along with a convenient trolley strap, allowing easy attachment to your luggage for smooth, hands-free travel. A hidden safety pocket on the back panel adds an extra layer of security for valuables like your wallet, phone, or passport, making it ideal for traveling.

The sides of the backpack feature two spacious and easily accessible pockets, perfect for carrying a water bottle, umbrella, or other daily necessities. Whether you're commuting, working, or traveling, this backpack offers the perfect combination of durability, functionality, and sustainability.
