SMILZA

for Laptop 17.3" & MacBook 16"

A bag that offers both style and protection, making it an ideal choice for the modern, eco-conscious professional. The Super-Slim Laptop Bag - Smilza, designed for MacBook & other Laptops. Crafted from recycled plastic fabric, this bag features contrast-color details for a modern look. It offers a single, well-padded internal compartment with our Anti-Slip system to securely hold your laptop. The front side includes a spacious external pocket for easy access to your essentials. Carry it your way with double handles for a classic look or a detachable shoulder strap for hands-free convenience. Perfect for professionals on the go, this bag is as functional as it is stylish.

Features

- Crafted from eco-friendly fabric made from recycled plastic.
- Sleek and compact for effortless portability.
- Internal Anti-Shock Padding provides excellent protection for your laptop.
- Neoprene corners secures your laptop in place, preventing movement and damage.
- Double handles & detachable shoulder strap made with durable webbing for versatile carrying options.
