Water Bottle 500 ml SWISS MILITARY - Isomate

Product Highlights:

- **Convenient Design:** Swiss Military Vacuum Flask features a steel cap and carry handle loop for comfortable and easy transport.
- **Easy to Clean:** With its wide mouth opening, the flask is easy to clean and allows for hassle-free refilling.
- **BPA-Free Materials:** Crafted from BPA-free, food-grade stainless steel, this water bottle ensures safe and healthy hydration on the go.
- **Temperature Retention:** Rinse with hot or cold water before filling to enhance temperature retention, keeping beverages hot for up to 8 hours and cold for up to 10 hours.
- **Superior Insulation:** The double wall stainless steel copper insulation with food-grade 304 stainless steel interior ensures optimal temperature maintenance and durability.

Warranty: 6 month
