Earbuds NOISE Pure Pods - 80 hr

Prices are subject to change without prior notice. (Special discount prices are valid for a limited period)

2.The quality of bass and loudness is subjective and may vary from person to person.

3.80 hours of playtime depends on factors such as music genre, and sound volume.

4.The earbuds have an IPX5 water-resistant rating. However, the earbuds need to be dried completely before the next usage.

5.Actual products may differ slightly in appearance from the illustrations/pictures provided.

Warranty: 1 year
