Induction Stove CELLO Glaze - 1600 W

Product Highlights:

- **Automatic Multi-Function Cooking:** Simplify your cooking process with automatic multi-function presets that cater to a variety of dishes, ensuring perfect results every time.
- **Powerful and Efficient Heating:** Equipped with a robust 1600W power output, the cooktop delivers rapid and consistent heating for faster cooking and energy efficiency.
- **Variable Power Selection:** Tailor the cooking temperature precisely to your needs with variable power selection, allowing for precise control over your culinary creations.
- **Easy-to-Control Interface:** The intuitive control panel features a Power On/Off push button and easy-to-adjust settings, making operation straightforward and user-friendly.
- **Non-Fire Cooking Technology:** Utilizing induction technology, the cooktop heats only the cookware placed on its surface, ensuring a cool cooktop surface and safe cooking environment.

Warranty: 1 year
