Breeze Plus

Bluetooth 4.2 True Wireless Stereo

Get Powerful Stereo Sound

MRP: 3999

Breeze Plus offers powerful 20W inbuilt speakers with great amplifiers to offer fantastic surround sound output - awesome bass and mid-range with very good treble. The powerful industry-leading size of 2500mAh lithium Ion battery can play music for more than 7 hours on a single recharge. The battery can be recharged in just around 4-5 hours. If you want true left and right channel stereo while listening to your favourite numbers or watching a thriller on your smartphone, tab, laptop or computer, then Breeze Plus gives you the option to use its True Wireless Stereo (TWS) feature. TWS enables you to easily connect two such Breeze Plus speakers to via Bluetooth 4.2 and form a truly wireless stereo left channel and right channel and get stereo sound effect in few seconds. if your music is in a non-bluetooth device like mp3 player or PC, then simply use 3.5 mm Aux port.
